Overview of the session's agenda

Digital Twins with Data Spaces and Standards

June 13, 2023 15:30 – 17:00

Agenda

- **Dr. Arne J. Berre, SINTEF**: Digital Twins with Data Spaces and Standards
- **Antonio Kung, Trialog**: IoT and Digital Twins with Data Spaces in ISO SC41
- **Stefan Gessler, NEC Laboratories Europe :** Urban Digital Twins supported by IoT and ETSI NGSI LD
- **Raul Palma, PSNC**: Digtal Twins, Data Spaces, Semantic Interoperability and Geospatial standards – in DEMETER Agriculture and ILIAD Digitial Twins of the Ocean
- **Fenareti Lampathaki, Suite5:** Energy Digital Twins with Data Spaces and Standards – SYNERGIES project
- **Sergio Gusmeroli, PoliMi:** Circular TwAIn – Digital Twins and Data Space for Circular Manufacturing
- **Ljiljana Stojanovic, Fraunhofer IOSB**: Digital Twin AAS standard and Industrial Data Space – the IDS-I Community
- **Ray Walshe, DCU** EU Projects supporting ICT Standardisation

Plenary: Architectures for Digital Twins and Data Spaces Interoperability – input to standards
